

COVID-19 RESPONSE PLAN: UPDATE 27

29 May 2020

Our first full week of zero COVID-19 cases since March - an extremely positive milestone as we head into Queen's Birthday weekend. Today also marks our first day of increased gathering numbers to 100.

As the restrictions ease and we go into the long weekend, we must remember to keep playing it safe, and follow the guidance under Level 2. The Government has released a webpage outlining the Level 2 changes that came into effect today - please take the time to review these changes and become familiar with them: <https://covid19.govt.nz/latest-updates/alert-level-2-changes-confirmed-for-friday-29-may/>.

On a less serious note, I hope you are all able to finally enjoy a long weekend holiday - not in lockdown! Remember to stay safe, be kind, and shop local. Next week's pay will be in your account a day later, due to the holiday. As always, updates will continue next week.

Regards
