

COVID-19 RESPONSE PLAN: UPDATE 50

13 September 2021

Tēnā koutou

Following the Government's announcement this afternoon – New Zealand will remain in Alert Level 2 (with Auckland staying in Alert Level 4) until 11:59pm next Tuesday 21 September. For our staff in Auckland – the Government has indicated that all going well, Level 4 restrictions may be lifted next week. I know you're looking forward to getting back to some kind of normality, so hopefully not long now – hang in there!

For everyone else, let's continue to stick to our Level 2 work packs and remain vigilant. It can be challenging living with the restrictions, however sticking to the rules and doing what is asked of us, will ensure that a sense of normalcy can return as quickly as possible. Please continue to take all precautionary measures and be considerate of others – especially with wearing masks, keeping up good hygiene and staying home/getting tested if you're sick.

Please stay safe, be kind, engage your brain, plan your activity, and focus on the task at hand. More updates will be released later in the week.

Ngā mihi,

Mike Costelloe
Chief Executive Officer
